Dear Sportsman Show Exhibitor,

The 2009 Sportsman Show is now behind us. The members of the Penobscot County Conservation Association wishes to sincerely thank each of you for your part in making this show such a great yearly event for so many people. The PCCA is very happy to sponsor the show and the success of the show is realized through the excellent vendor participation and sponsorship that we receive. The time and energy that you put into the arrangement and quality of your booth is paramount in bringing the people back to the show every year. Many thanks to all of you for the part that you play in making the show such a special event. The funds that we raise each year makes it possible for us to continue with the several conservation scholarships that we have sponsored to colleges and conservation camps for over 30 plus years, and has now reached well over \$1,500,000.00 . Again, THANK YOU !!!!

We are always working to find ways to improve the show, and we entertain any suggestions and/or ideas that any of you may have to help us do that. The show is only as good as the products and programs that we offer. As always, we are looking forward to and planning for some new events for the show next year so please do give us your input of ways that might help improve the show and bring more people in. The show dates for next year will be March 12, 13, and 14, 2010.

The early registration has become quite popular and we are offering it again this year. There will be a \$50.00 discount on each 10x10 booth, \$100.00 discount on one 20x20 booth and on an end space for all contracts received before October 1<sup>st</sup> with a minimum of \$100.00 deposit enclosed. Additionally you may secure your same space for 2010 by returning your contract before October 31<sup>st</sup>. After that they will be assigned on a first come basis.

We also want to remind you that we do have our own web site. There are many interesting things about PCCA on the web and information, exhibitor sign-up sheets, etc. for the 2010 Sportsman Show will be on there soon. Please visit our site at [www.conservationassociation.org](http://www.conservationassociation.org).

Again, thank you for participating in and helping to make the Sportsman Show such a huge success. See you in 2010.

Woody Higgins  
PCCA Show Chairman
